The next SCVCA meeting will be on Tuesday April 20th, 2021 and will be a Zoom meeting. The St. Croix Valley Corvette Association Board meeting minutes for Tuesday March 30th and other items are included in the topics below. – This was a Zoom meeting.

There was no “In-Person” meeting in March.

MEETING NOTES / NEWS:

- As CDC and federal guidelines have us all at their mercy, all of 2021 should be viewed as optimistic but subject to change. We have no control of what government may decree, just the right to vote out those who.....
- We have an open position and board membership for our VP. If interested or have a nomination, please send a message to any board member or call.
- Facebook coordinator: Clubs have found Facebook to be very useful for communications and events, for example our car show. If you are interested or want to recommend a person contact a board member.
- **MCCA:** Our club is a member organization of the Minnesota Car Club Association. This organization meets once per year where we can announce events like the SCVCA car show. In the years that I have been involved the meetings were chaired by one of the founders, who unfortunately passed away last year at about the expected meeting time – as many events in 2020 the meeting was canceled. New leadership was solicited, and they now have a new President who intends to keep the organization going. They publish a book each year covering both member contacts plus a listing per month of member events, and online available via Autoswalk. While Autoswalk no longer exists, a link with our car show flyer will be maintained by MCCA. It has been worthwhile being a member and a way of advertizing our club. John Kulas is the primary contact with Kelly Hendricks as a second. John recommended to the board we maintain a membership as long as costs remain reasonable. The board approved that recommendation Tuesday March 30, 2021. SCVCA will continue as a member at minimum thru this MCCA transition.
- **GMCCA:** Our representative Tom Tubbesing will discuss the latest decisions at the April 20 member meeting via Zoom. An April 5 meeting of associated car clubs representatives was held and we expect their approval the planned June 6th GMCCA show. As most of you know, this is the primary source of funds for our club. There is a sign-up sheet for workers on our website. This year especially we need all time slots to be filled as well as a ‘bench’ for “as needed” assignments. Polling questions:
 - Will you sign up to work the swappers gate at the GMCCA show June 6 _yes or _no
 - Will you sign up for the ‘Bench duty’ at the GMCCA show June 6 _yes or _no

Worker Sign-Up: If you want your name added to the schedule, please send an email to John Alt at johnalt@comcast.net and include the area and time slot(s) that you can work.

- **SCVCA/SWM SHOW:** SWM asked the question about combining our show with other Chevy or Camero clubs. The board discussed with all parties including SWM and have agreement with SWM that the show be for Corvettes only, at minimum for 2021. We are looking for more early models; ,please make it a priority on bringing C1- C3s to our show in August.

We are looking for ideas to improve our show; please forward to any board member for delivery and discussion with the show chair - Shep Shepardson.

Questions for member polling during the Zoom meeting:

- Will you attend and work the August Corvette show? _ yes or ___no
- Would you attend or work a August all Chevy show? _ yes or ___no

• **SCVCA WEBSITE CHANGES:** Some changes have been made to our site. They are:

• **MAIN (home) PAGE:**

- Added the following statement: "PLEASE CHECK THE LATEST NEWSLETTER FOR MEETING AND EVENT UPDATES"
- Added: "WE ARE STILL LIVING UNDER COVID GUIDELINES / DECREES"
- Updated the car show date. [Click Here To Open The Main Page](#)

• **MEETING MINUTES PAGE:**

- Changed the page title to "2021 Meeting Minutes and Event News". The intent is to eventually remove the "Events Calendar" web page as the software I use to create the web page no longer works with Windows 10.
- Uploaded the FEB meeting minutes and updated the link to the minutes.
- Added the date of the GMCCA show.
- Updated the GMCCA worker sign-up sheet to reflect the 2021 dates.
- As time marches on each "month" link will be updated with a link to the corresponding newsletter or will say "No Meeting".
