MEMBERSHIP REPORT:

Our membership chair Karen was out ill, we reported she is fine, only a cold she didn't want to share with members – for that and her hard work we thank her. 31 members total in attendance - we passed an attendance sheet, two new members welcomed to the club – Carrie Margret and Neil Perchmana (sp??). Also present was Tim Langness (I believe his first meeting.) Being it was our first in person meeting in over a year, and we knew new members were in attendance, all present were asked to introduce themselves. Outside of a few snide remarks by some, it was mostly a pleasant discussion. Welcome aboard Carrie and Neil.

SCVCA CAR SHOW REPORT: By chairs Shep Shepardson, Dick Longlet, and Ed Anglo.

- Dick started with sincere thanks to Ed Anglo for all of his continuing support for SCVCA.
- We do have a food truck found by Ed, so the club is not responsible for food or beverages. Menu is Tacos, no Margaritas.
- The worker sign-up sheet was passed and an updated sheet will be on our website. A copy is attached to this newsletter.
- SWM will provide 135 shirts. The first 100 are committed to paying participants. We need club members to pick up their shirts at the SWM front reception but only after we know that all 100 participants have had time get their shirts. Participants and club members will have to go to the SWM front desk to pickup their shirts. Going by past years the 135 count should be adequate as SWM shirts will have "STAFF" imprinted on them and are not in the 135 count. We will be prepared to write down any club member who did not get a shirt. Topic for further discussion in the event that more are needed, members who do not work or attend may be able to purchase a shirt.
- A planned area is to be designated for Bruce Langness – as a memorial his '56 and a poster will be on display.
- Raffle: The current available items were discussed, with a request that members talk to their favorite restaurant or vendors for possible donations. Those donations can be thought of as advertisement as the list of prizes is on the raffle poster. We need members to be available to walk the show announcing that tickets are available. If you are successful in finding donations or have an item for the raffle send a note to Shep - 3shep@comcast.net
- Late update from Dick about raffle items: As of today we have 11 certificates totaling \$475 in prizes not including the many Corvette books we have.
- The board thanked Dick, Shep and Ed for their efforts. We have asked for member participation before, but the show does need members to work and if interested in a 3 year assignment please talk to any of the three or a board member.
